Leveraging Digital Platforms to Deliver Large-Scale Interprofessional Education (IPE)
IMSH 2021

Activity: Brainstorming Workshop

Instructions: Please answer the following questions among your breakout group. Have each participant answer the question/prompt before moving onto the next.

1. Introduce yourself to the breakout group.

2. Describe 1-2 large-scale IPE Trainings that you are currently involved with or are thinking about developing at your center. Consider sharing trainings that have been particularly successful as well as trainings that need improving.

3. What aspects of your IPE training(s) have been particularly successful?

4. What are some limitations associated with that IPE event(s)?

5. What digital resources are currently being used during your IPE event(s)?

6. What have been some advantages or disadvantages of using those resources?

7. Identify 1-3 digital resources that could be incorporated into your event to address limitations.

8. Share any additional ideas or experiences you have had regarding optimizing large-scale IPE.
