

# INTENSITY OF FEAR

- A. By tomorrow, you need to decide if you want to file a professionalism complaint against your boss, who is known to retaliate
- B. Your colleague just accused you of medical negligence in front of the patient's family
- C. Next week, you have to stand in front of your entire department to present a case in which you made a serious medical error
- D. You have to address a situation where your supervisor was unprofessional towards a colleague
- E. You are asked to mediate a conflict between two of your junior staffers
- F. You are going to ask your boss for a raise at your annual performance evaluation next month
